## **CLIENT ORIENTATION**

### **Program Rules:**

1. Lifespan Services, Inc. will provide outpatient counseling, evaluation, information and/or referral.
  2. No drug or alcohol screening or "search and seizure" methods will be employed.
  3. Clients must not be under the influence of alcohol or illegal substances at the time of the scheduled session. Should the client be under the influence of substances other than prescribed medication, the session will be canceled by the counselor and the client will be expected to pay for the session at the usual, agreed upon fee.
  4. ***All appointments must be changed or canceled 24 hours in advance to avoid a \$50.00 charge.***
- 

### **Program Procedures:**

1. Client's rights to confidentiality will be observed at all times, with the following exceptions:
  - In cases of probable imminent danger to self or others, in cases of child abuse, including sexual abuse.
  - Communicable diseases must be reported by the counselor to the appropriate county health department.
  - When you, the client, request that we release information.
  - Information is only shared with other outside entities (ie: doctors, attorneys, etc.) when you request it by signing an Authorization to Release Information form. In accordance with HIPPA privacy regulations, any information shared will reveal only the basic minimum information necessary.
  - When your therapist would like to consult with another Lifespan therapist (who has additional expertise in a certain area) for information that may be of help in your treatment. No names are ever used during his consultation.
2. We reserve the right to release only a Treatment Summary instead of detailed case notes.
3. A minimum requirement of 5 business days is needed for medical records, once a written request is received.
4. The undersigned will neither individually nor jointly involve the therapist or Lifespan Services (and its staff) in any litigation. The undersigned will neither request nor require that Lifespan Services or the therapist provide testimony in court. The reason for this is so that treatment is not compromised, the therapeutic relationship with the family is maintained, and a child can experience his or her play therapist in a clear, consistent, therapeutic role and not as an assessor or detective. If the services of a mental health professional are desired for court purpose, the services of a person outside of Lifespan Services, Inc. must be enlisted.
5. *Counseling Artwork:* Your confidentiality is protected. The use of photography typically involves pictures of children's play structures (i.e.: sand trays, block building, etc.) or pictures of the children with our therapy pet. Art work is sometimes used for training purposes, but the child's identity is protected.

***If you have any questions about the above, please ask your therapist.***

**Hours of operation:** Business office hours vary. Available hours vary with each therapist and some nights may be available.
